15-YEAR-OLD EQUIPMENT AT REC PARK MUST BE REPLACED

With the demise today of the old "merry-go-round" which provided 15 years of amusement for thousands of youngsters at the Recreation Park here, the town's Recreation Board at its meeting Monday night expressed the hope some local organization or individuals will donate a new one so there will be a merry-go-round at the park the remainder of the summer.

The board "with great regret" decided Monday night to have the broken down old merry-go-round removed today before someone breaks a leg, and after searching its budget, found it cannot replace the device until next year.

Cost of a similar child-propelled merry-go-round is about \$300 with some additional expense for installation. The present device is beyond repair, Recreation Director Ray Thompson told the board.

LISTS OTHER NEEDS

Thompson listed "needs" for equipment totalling \$875 and the board noted that probably all will have to be delayed until next year unless some "kind donor" comes forth. About 10 benches, at a cost of about \$30 apiece, are needed for the new shuffle board courts to provide resting space for those taking part in the play particularly since the courts are designed primarily for the use of the elderly.

An additional bicycle stand is needed for the numerous bikes used by youngsters to reach the playground, Thompson reported. Such devices cost about \$175.

Also needed, Thompson said, are new nets for the tennis court. He recommended purchase of a metal chain net at a cost of about \$87. Present nylon nets have been torn an dent until only one is still usable." The most recent loss of a tennis court net, Thompson reported, occurred when a

FEWER UNDER CARE OF CHILD WELFARE BD.

The number of children under the Adams County Child Welfare Services declined during last month, according to the report presented Monday evening by the director, Miss Dorothy Curtis, at the meeting of the advisory board of Child Welfare Services in the Topper building.

During the last month, service to four children was terminated, Miss Curtis said, lowering to 158 the number on the rolls of the Child Welfare Services. Of that number, 49 are in the homes of their parents, eight are in the homes of relatives, 40 are in foster homes, three are in institutions and the remainder in other institutions and homes. A total of 105 are under direct supervision by Child Welfare and 53 are under indirect supervision.

Miss Curtis reported five foster home applications pending and one was approved during the month. There are six adoptive home applications pending during the month. Two of the children were adopted.

The report of Mrs. Brenda Walker, the treasurer, showed the advisory board has \$54.23 in its treasury. The board voted to purchase a Boy Scout uniform for one of the children under its care.

District Attorney Gerald Walmer and County Commissioner G. Edwin Motter met with the board. Rev. John Bishop, chairman, presided at the session.

FIREMEN TO MEET

A special meeting of the Fairfield Fire Company will be held Wednesday evening at 8 o'clock, it was announced today. All committee members are urged to attend the session at which final plans will be outlined for the annual festival.

SCHOOL RANSACKED

Littlestown Police Chief Edward Kowalezyk is investigating vandalism at the Maple St. School which happened between 4 p.m. Friday and 6:45 a.m. Monday. The vandals broke into the band room and ransacked other unlocked rooms in addition to tearing the American flag in the auditorium.

72-Hour Strike In Santa Domingo Apparently Failed

By ROBERT BERRELLZ

SANTO DOMINGO, Dominican Republic (AP) — A 72-hour, nationwide strike in support of the rebel government appeared to have collapsed today.

Miguel Soto, president of the confederation of unions sponsoring the walkout, blamed "police and army repression" for a poor response to the strike call.

A Junta spokesman denied charges that union leaders had been arrested and workers forced to return to their jobs.

The strike started Monday, shutting a handful of Santo Domingo's 40 factories. Most of them reopened today, although Soto had predicted that the strike would gain strength this morning.

JAYCEES WILL RAISE FUND TO HELP RUNNERS

The Upper Adams Jaycees voted at a meeting Monday to raise funds to assist in sending the Upper Adams High School girls' track team to the National Jaycee and AAU tournament to be held in Columbus, O., July 1-3.

Don Sterner, coach of the girls' track team, spoke in behalf of the project and Miss Connie Fissel, who holds the state and Mid-Atlantic girls' high jump championship, was also present. Miss Fissel, a Ninth grade student, will be one of the six girls who will participate in the meet.

A bake sale will be held on Saturday on the square in Bigerville to raise funds for the project, and the Jaycees will be in charge.

Donald Jacobs and Julius Swope, members of the Gettysburg Fire Department and Ambulance Corps, demonstrated resuscitation and external heart massage. This represented the 41st demonstration of Resuscitaine since her purchase by the Gettysburg Exchange Club for the use of the fire department. All of the Jaycees were given an opportunity to attempt resuscitation and heart massage on the dummy.

FIRST AID COURSE

It was announced that a first aid course will be given by the state in Gettysburg this fall and anyone interested may attend. There is no charge. The course will include the use of Resuscitaine.

Guests present at the meeting were Robert Slough, Jaycee Region #15 vice-president; Ed Vernon, internal vice-president of Northeastern Jaycees; Kenneth Sell, local safe driving road-e-o and junior champ winner, and Walter Keller, who was introduced as a prospective member.

Harry Peters, a former member, was welcomed back into the organization.

President Willard Roudabaugh presided at the meeting, which was held at his cabin in the Buchanan Valley area.

MINOR ACCIDENT

Mrs. J. Russell Hale, Gettysburg R. 2, reported to borough police Monday afternoon at 1 o'clock that Saturday evening her car was struck on York St., by an auto registered in the name of Mrs. Robert Tipton, 51 Breckinridge St. Damage was listed as less than \$50.

HOLD ROCKY RITES

Funeral services for William F. Rockey, 59, Gardners R. 2, who died last Thursday at the Carlisle Hospital, were held Monday morning at the Dugan Funeral Home, Bendersville, conducted by Rev. Kenneth J. Barner. Interment in Uriah Cemetery.

The pallbearers were Theodore Group, Robert Wilson, Harry Smith, William Sherman, Kenneth Beidel and Gilson Hammond.

RECOMMENDS DIVORCE

The divorce of Paul A. Stultz, Gettysburg R. 5, from Margaret A. Kelly Stultz, Landisburg, is recommended in the report of the master, Attorney Ronald J. Hagarman, filed in the prothonotary's office. The couple wed in 1933. Desertion since 1947 and indignities are alleged.

FINED AS DISORDERLY

Harold Carson Jr., Fairfield, paid a fine of \$10 and costs before Justice of the Peace Robert P. Snyder on a disorderly conduct charge brought by borough police.

According to the borough police report, officers were called at 8:15 Monday night by Robert Minter when he found a man seated in his car parked on the fifth block of W. Middle St. and the man refused to leave the car.

The police report, without listing the name of the man, said he had been drinking and that he was charged with disorderly conduct before Justice Snyder.

JOINT SPONSORSHIP

The youths began work Monday under guidance of counselors appointed by the state YMCA, on such projects as trail development, tree planting, erosion control and conservation of public areas, beaches and camp sites.

The program ends August 27.

Mrs. Verna Myers, director of public assistance in the county, said her board "was pleased that we could find only seven within the age 16 to 22 classification. It proves the local employment office is doing a good job and that those who can work already have jobs. In fact it makes our whole county look good, because we do have employment for our youth."

The youths are paid \$1.25 an hour for a five-day, 32-hour week, totaling \$172 for a full month's work.

Carry War North Of "Hanoi Line" By Pouring Rockets, Bombs Into Red Barracks

BY EDWIN Q. WHITE

SAIGON, South Viet Nam (AP) — U.S. fighter-bombers made their deepest penetration of North Viet Nam today and for the first time poured bombs and rockets into targets north of the "Hanoi line."

A U.S. spokesman said one raid was against army barracks at Son La, 110 miles west northwest of Hanoi and only 80 miles from the Red Chinese border. It was also 55 miles from Dien Bien Phu, where the French army went down to final defeat in Indochina.

The previous northernmost penetration of North Viet Nam was a U.S. Navy strike against Hon Gay, 75 miles east of Hanoi. This was during the August 1964 Gulf of Tonkin crisis.

The nearest raid to Hanoi was 45 miles to the south earlier this year.

In all, some 80 U.S. and Vietnamese air force and U.S. Navy planes dropped about 300 tons

NEW JURIST IS ASSIGNED TO RUBY CASE

DALLAS (AP)—Judge Louis Holland of Montague, Tex., has been appointed to take over further trial court proceedings in the Jack Ruby case.

The North Texas jurist succeeds Judge Joe B. Brown of Dallas, who asked Monday that he be removed from the controversial case.

Judge Dallas A. Blankenship, presiding judge of the Dallas County 1st Administrative Judicial District, announced the appointment.

Holland presided over May 24 hearing in the Ruby case to determine which lawyers should represent the condemned man at a pending sanity hearing. Brown had stepped down temporarily for that proceeding.

LATEST SHAKEUP

Brown's removal was the latest shakeup in a case marked by bitter recriminations among the lawyers involved. At least 12 have so far acted as chief defense counsel, only to be fired or to quit.

Ruby, operator of a Dallas strip-tease joint, fired a bullet into Lee Harvey Oswald, accused assassin of President Kennedy, Nov. 24, 1963.

Ruby was tried before Judge Brown and was assessed the death penalty March 14, 1964.

Brown gave no reason for stepping down.

Ruby's lawyers had tried several months to get Brown ousted. They contended Brown was writing a book about the trial, and therefore held a personal interest in the final disposition of the case.

Court Appoints Two View Boards

The Adams County court has appointed two boards of view in connection with road damage claims.

Attorney Daniel E. Teeter, George S. Steinberger and William Weidner have been named the board of view in the eminent domain proceeding concerning land of Clarence E. and Lucy Eyler, Gettysburg R. 1. According to the petition filed by Attorney S. M. Raffensperger asking appointment of the board, the state on December 29, 1961, took 14.86 acres of the Eyler's 132-acre farm for road purposes.

The court named Attorney Teeter, Roy D. Renner and Eugene Murren as the board of view in the eminent domain proceedings by which the state on April 17, 1962, took land in Straban Twp. owned by Clarence A. and Marie H. Keller and leased by K. Orendorf. The record shows approximately 20 acres of the 324-acre farm taken for road purposes including relocation of a township road.

1963 RECEIPTS ARE 8 MILLION FOR SERVICES

Adams County's 358 service establishments had total receipts of \$8.1 million in 1963, an increase of 70 per cent from 1958, according to a report of the 1963 census of business just released by the Bureau of the Census, U.S. Department of Commerce. The last previous census of business covered operation during 1958.

The service trades in the census of business included those providing: Personal services to individuals; miscellaneous business services; auto repair and other auto services; and other repair services. Also included were motion picture theaters, other amusement and recreation services and hotels and motels.

In the county there were 155 personal service establishments reporting 1963 receipts of \$1.8 million. Among the other selected services included in the census were: Auto repair shops with receipts of \$2.3 million; motion picture theaters with receipts of \$183 thousand, other amusements, recreation services with receipts of \$963 thousand; and hotels, motels, camps with receipts of \$2.3 million.

The selected service trade establishments in the county employed 593 persons (exclusive of proprietors) and has a payroll for the year of \$1.6 million. The state as a whole included 63,830 establishments with receipts of \$2,187.5 million.

LINKLETTER'S NEW SHOW TO BEGIN TONIGHT

By CYNTHIA LOWRY

AP Television-Radio Writer

NEW YORK (AP) — The question: Why is a 53-year-old man with a thriving 20-year-old daytime program and fortune shrewdly invested in everything from soft drinks to cattle, willing to spend a long, hot summer as host of a vacation-time television program?

Art Linkletter's "Houseparty" is a daytime institution. His new assignment is CBS' old "Teenage Scouts," which will emerge tonight for another exposure in the network's summer sun.

"Well," began Linkletter with a confident grin, "I've had an idea for a long time that television needed an evening program built around real human interest. I talked to CBS about it and we developed an idea — why not try it out on 'Teenage Scouts' this summer. And if it goes, who knows what then?"

TO BE DIFFERENT

The title has been around for a long time — Arthur Godfrey presided over the show for seven years.

Linkletter insists that he is about to do something really different with the old show. One thing undeniably is new. He has moved its production base to Hollywood and the official title now is "Hollywood Talent Scouts."

"We're still primarily interested in young professional talent," Linkletter said, "but we're going to present stars, too, and we'll use them in a variety of ways."

SCOOPO FOR CBS

CBS News achieved a television scoop of sorts by getting presidential assistant McGeorge Bundy to participate in a "Dialogue" with five professors on the Viet Nam situation. As it turned out Monday night, five professors — three of them against the administration position — were about four too many for good talk.

Far from being illuminating, the hour radiated confusion. It would have been infinitely more interesting had Eric Severson assumed the role of a devil's advocate and tossed the anti-administration arguments on Viet Nam for rebuttal.

Abbottstown

ABBOTTSTOWN—Mr. and Mrs. Walter Schneider, missionaries in Liberia, will address the Mission Study Group of St. John's Lutheran Church this evening.

Mrs. Schneider is the former Miss Shirley Meekley, daughter of Mr. and Mrs. George Meekley.

She left St. John's as a mission and met and married her husband in Liberia. This is their first trip home.

Mr. and Mrs. Albert Rohrbaugh, near Abbottstown, celebrated their 45th wedding anniversary yesterday. They were married June 12, 1920, at Lischey Lutheran Church by Rev. Frederick Geesey and are the parents of three children: Clair, New Oxford; Mrs. Myrna Myers, New Oxford, and Mrs. Donald Runyan.

The Lions Club will be host to 33 graduates from the area at the Altand House on Thursday night.

Must Destroy Damaged Liquor

DENVER, Colo. (AP) — A quarter of a million dollars worth of liquor is going to be destroyed because of last week's floods.

The liquor, including imported whiskies, scotches, gins, wines and champagnes, is in flooded basement rooms of the liquor division of McKesson & Robbins, Inc.

The spirits must be destroyed under a court ruling of the early 1850s which states any bottled liquor covered by flood water is no longer fit for human consumption.

Lee S. Sullivan, general manager of McKesson & Robbins, said the bottles will be taken to a dump where agents of the Alcohol and Tobacco Tax Division of the U.S. Treasury will supervise their destruction under heavy rollers.

"LOUD MOUTHS"

I've met with many people . . . on my journey through the years . . . a thousand different sorts and kinds . . . who brought both smiles and tears . . . it would be impossible to list . . . just each and every one . . . but I shall write a line or two . . . about the type I shun . . . I shuddered when I come upon . . . the folks who love to talk . . . the ones who pick at this and that . . . like some disgruntled hawk . . . the boisterous souls who seem to lack . . . the slightest bit of poise . . . and never seem to be at ease . . . unless they're making noise . . . no doubt you all have heard them . . . and I'm sure that you agree . . . it doesn't take so very much . . . to start them on a spree . . . loud mouths are what we call them . . . and that is apropos . . . the only thing they ever spread is misery and woe.

work. The county assistance board also provided \$12 for work shoes, \$4 for work trousers and \$2.50 for work shirts for each boy.

The new program is sponsored not only by the state YMCA but also by the state Department of Forests and Waters, the state Department of Public Welfare and state Historical and Museum Commission. Under the plan, if weather is bad and no indoor work is available, lectures by forest rangers and other programs will be arranged to provide education for the youths.

In addition to the group working at Caledonia, another group of youths, mostly from York County, Monday began similar work at Pinchot State Park.

DOG DIES AT 22

"Sandy," a 22-year-old dog owned by James Plank, Gettysburg R. D., died Friday. The animal which had become over the years a community pet in the Belmont Rd. area was believed by his owner to be the oldest dog in the county.

player attempted to leap over the net to congratulate her opponent, and landed on the top of the net. "Fortunately she wasn't hurt, but the net was badly torn."

ATTENDANCE IS UP

A letter from the Gettysburg Municipal Authority asked permission to use the southwest corner of the Recreation Field to drill a well and install a small building. Also needed would be a right-of-way to reach the pumping station. The Recreation Board held that the Recreation Park land is owned by the borough and referred the letter to borough council.

Howard Shoemaker, supervisor of the summer playground program, reported that during the first five days the playgrounds was operating "we had 430 more in attendance than during the 7½ days the program was open during its first two weeks last year."

The five-day comparison was made necessary because rain and wet weather cancelled three days of playground activities last week. Shoemaker reported "tremendous crowds at the Recreation Park every night," and said, "We are having a parking problem." He reported 100 taking part in the music portion of the Recreation program conducted by Robert Zeigler at Eisenhower School. He also reported "27 youngsters in the Eisenhower tot lot, which is the largest ever at that end of town."

INSURANCE QUESTION

Recreation Director Thompson reported he is "going to school six mornings a week, and so a lot of the work I should be doing is falling on Howard Shoemaker's shoulders, and he does it well."

A letter from the National Recreation Association was read showing it has available personal liability insurance policies giving up to \$300,000 coverage for \$6 per year per individual. The board raised the question of personal liability on the part of board members and playground supervisors in event of injury or accident. Charles Kuhn, borough treasurer, who is a member of the board, said he will check boardough insurance coverage to determine whether board members and supervisors are covered for liability.

As he was being tied to the stake in a sandbagged enclosure, Dang repeatedly shouted in Vietnamese "Long live Ho Chi Minh," the president of Communist North Viet Nam.

The squad took position, fired and Dang's head sagged forward. An officer administered the coup de grace with a pistol. The execution took about one minute.

EISENHOWER TALKS TO AAMA IN ATLANTA

ATLANTA (AP) — Former President Dwight D. Eisenhower says development of American business in other countries is the greatest hope for world peace.

Often, he said Monday in a speech to the American Apparel Manufacturers Association, fair business dealings by private enterprise with other countries will benefit both the United States and the nations involved, building better defenses against communism.

"It is useless to talk freedom to starving men," Eisenhower said. "The free world must help those living in misery to achieve better standards of living. In the long run it will be cheaper than keeping sterile arsenals."

Earlier, the former president met informally with some Georgia Republican leaders. State GOP Chairman G. Paul Jones of Macon said Eisenhower called for a common sense approach to politics and warned against such labels as "conservative" and "liberal."

When he arrived, Eisenhower was asked what he thought of the newly organized free society association headed by former GOP presidential candidate Barry Goldwater. "I don't know a thing about it," he replied.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

FIFTY YEARS AGO

Gettysburg's fishermen met with little luck Wednesday the first day of the bass season. P. W. Stallsmith, Dr. E. H. Markley, William Eden and C. K. Gilbert composed one party, the total of whose catch was 19. John W. Breuer and John Mickley secured six. Other fishermen report even smaller catches than these.

When Master Charles Beales shook hands with President Wilson on Tuesday he found the nation's Chief Executive had appreciated greatly the letter he sent last week asking for the appointment. The five other Beales children also met the President. The visit of young Charles was noted in most of the city papers today, one of which stated that he received from the President an autographed photograph.

Just Folks

WHAT HAS TO BE
What had to be he tried to bear
Without resentment or dismay.
When he had wanted weather fair
But woke to face a rainy day,
He'd change his plans and dress
for rain

Until the skies were clear again.

When he could help himself
he tried
To do the very best he could,
But when his hopes were all
deniedAnd naught could change the bad
to good.There's nothing now to do,"
said he,

"But face it as it has to be."

What could be bettered with
his aid

He fought to better night and day,

But this distinction always made:

When every hope was swept away,

Knowing it useless to complain,

Dressed for trouble as for rain.

"Bo" Davies Captures Elks And Jaycee Golf Tournaments; Playoff Needed For First

It isn't too often that a young golfer can tee off early in the morning, complete 18 holes and capture two tournament championships. Robert "Bo" Davies, son of Mr. and Mrs. Robert Davies, Country Club Lane, did just that when he slammed his way to the Elks tournament and at the same time won the annual Junior Chamber of Commerce championship Monday.

Due to a conflict in dates, both tournaments had to be played at the Country Club on the same day. Therefore, with the exception of a few differences in the age groups, most of the boys who took part in one match also tried for the other title.

Davies had a little difficulty coping the Elks tourney as he had to go into a sudden death playoff to be declared the winner. He and Mike Benedict, 16-year-old son of Mr. and Mrs. Melvin Benedict, New Oxford R. 1, completed the first 18 holes deadlocked with 85's. Davies went out in 43 and came back in 42 while Benedict fired a blistering 41 going out, but came back with a 44. The two young linksmen then got good drives off on the first hole of their sudden death playoff. Davies' second stroke traveled straight for the green while Benedict's second shot nipped a tree limb and veered to the left. Benedict then had to take an extra stroke getting on and eventually wound up with a bogey five while Davies two-putted for a par four.

Davies and Benedict will now compete in the Elks' state junior championships at Latrobe, August 23 and 24. Bill Kuhn of the local lodge, who is also the state youth chairman, will accompany the boys to the state tourney. Jay Schmitt Jr. directed the local tournament.

Davies, a tall blonde 15-year-old sophomore at Gettysburg High School, also turned out to be the best in the field of competitors vying for the JC title. His firm 85 performance was five strokes better than runner-up Larry Wickerham's 90. Wickerham, 14-year-old son of Dr. and Mrs. Donald Wickerham, West Broadway, carded a 48-42-90 to zip past three men who posted 94's and thus walked off with the second spot.

The Latrobe Country Club will also be the site of the annual Junior Chamber of Commerce championship. The state tourney will be held July 26-28. Arnold Palmer, whose father is pro at the club, will hold a clinic and exhibition on Monday, July 26. Tuesday evening, July 27, Bob Richards will be the main speaker at the annual banquet.

The Jaycees send just one representative. Davies was presented a trophy donated by the Pepsi-Cola Co., Clark Spence, distributor. He and the runner-up Wickerham were also presented sports shirts by Jerry Bixler, proprietor of the Village Shop.

The reason Benedict was not the second place finisher in the Jaycee tourney was due to the fact that he chose to compete in the Hanover Jaycee tourney. Fred Filsinger and Bill Shoemaker conducted the local tourney for the Jaycees.

Monday's combined scores: "Bo" Davies, 85; Mike Benedict, 85; Tom Bankert, 87; Larry Wickerham, 90; Marvin Simpson, 94; Erick Bergdale, 94; Andy Teeter, 94; Dan Bream, 96; Skip Waybrant, 105; Ted Maitland, 106; Mark Bergdale, 107; Dave Bream, 110; Tim Whittinghill, 113; John Spicer, 121.

Upper Adams Little League

The Arentsville Cardinals combined some lusty hitting with eight bases on balls and five Bensenville Braves errors for a 20-14 verdict Monday evening at Arnettville.

The Cards jumped out with six runs in the first inning on six walks and singles by Jeff McGlaughlin and Bob Shelleman. The Braves got a run in the second when Dave Austin was hit with a pitched ball with the bases loaded.

In the bottom of the fifth the Cardinals broke the game wide open with six runs on four singles, an error and Mike Kump's double.

Score by innings:

Braves 014 432-14

Cardinals 634 16x-20

Batteries: Braves — Don Austin, Dwight Kuntz (1) and Mike Routsong; Cardinals — Mike Kump, Milton Knous (5) and Mike McGlaughlin.

PHILADELPHIA (AP)—Philadelphia Ray Ucclelli has topped two other qualifiers in the Philadelphia section of the national Public Golf Links tournament, held Monday at the Cobbs Creek Course.

The former Bullet mentor, who submitted to the operation for replacement of defective mitral valve in his heart, said he would resume his regular head coaching duties in August.

Ucclelli, with a total of 139, was joined by Leo Palin and Lou Bevilacqua, both Philadelphians and both with totals of 146.

Gary Player Wins Playoff For U.S. Open Crown And Gives Away \$25,000 Purse

By BOB GREEN

Associated Press Sports Writer

ST. LOUIS (AP) — Gary Player, a black-clad little South African with a flair for the dramatic, deftly etched his name among a select list of golf's immortals and said that was enough, he had all he wanted, the money wasn't important.

"The money is immaterial — the honor is the thing," Player said Monday, after winning the U.S. Open Golf Championship and immediately turned his \$25,000 check over to the U.S. Golf Association.

His three-stroke victory over Australian Kel Nagle in the 18-hole playoff made him the first foreign winner in 45 years and only the third man ever to sweep the four big prizes of professional golf — the U.S. and British Opens, the PGA and the Masters.

WITH SARAZEN, HOGAN

He now stands with Gene Sarazen and Ben Hogan at the pinnacle unattained by any others, the legendary figures of another era or the giants of today.

The forgotten man in golf's Big Three, layer reassured his right to a spot in that company in overwhelming fashion.

Arnold Palmer has yet to win the PGA. Jack Nicklaus has yet to win the British Open.

"I have made most of my money and won most of my golfing fame in this country," Player said in announcing his intention to turn the check over to the USGA.

\$2,000 FOR CADDIE

"I feel I owe this country a great deal. I feel it is my duty to do something for this country and for golf."

"So I'm turning the check over to Joe Dey (executive director of the USGA) and asking him to give \$5,000 to the Cancer Fund. My mother died of cancer. The rest, I would like to see funneled into junior golf in this country."

He gave \$2,000 to his caddie, Frank Pagel, 16.

The actual prize money was \$25,000, but the USGA put another \$1,000 into the pot for both Player and Nagle after they tied at the end of 72 holes at 282 and the 18-hole playoff went into effect.

LED FROM START

Player leaped into command at the start, taking a birdie 4 while the 44-year-old Australian bogeyed the first hole of the vastly frustrating 7,191-yard Bellview Country Club course.

Player ran in birdie putts of 35 feet each on the next two holes, went 2-up and, for all intents and purposes, it was over. Nagle was never even again.

The close-trotting Australian,

who forced the tie when Player blew a three-stroke lead with three holes to play the day before, wrecked his chances with a shattering double bogey on the fifth.

His drive hooked far to the left, into the gallery crowning a small hill, struck a woman in the head and bounded into the rough.

"When we walked up, the lady was lying there," Player said. "I did that once in South Africa. It can make you sick. I didn't want to concentrate on the next shot."

"LIKE BUTCHER SHOP"

"Kel said 'I feel awful, Gary,' and I said, 'so do I.' I feel it upset Ken."

Nagle's next shot also whipped into the crowd, glancing off a woman's ankle.

"He must have felt horrible," Player said. "It was like a butcher shop."

Gary had a five-stroke advantage at the turn. He held it, playing his usual brand of conservative, control golf, until the last two holes when he took cautious bogeys.

GOING BACK HOME

Player said he now plans to return to South Africa to be with his wife and five children, including 15-day-old Theresa, whom he hasn't seen.

"I feel I can now cut down my travel and spend more time with my family," he said. "I love golf very much, but I love my children more."

"Now I can pick what I want to do. I don't have to be rushing off to Australia, rushing off to Spain, rushing off to Mexico. I can hunt and fish and ride and be with my family."

NAVY WINS IRA CROWN IN UPSET

SYRACUSE, N.Y. (AP) — There were no more worlds to conquer today for Navy's newly crowned IRA rowing champions.

The Middies, conceded little more than a dark horse to upset defending champion California and top-seeded Cornell, turned in the rowing surprise of the season Saturday by sweeping the lake — winning all three-races — of the Intercollegiate Rowing Association Regatta on Onondaga Lake.

The Navy, rowing smoothly and powerfully, grabbed the lead near the start in the grueling three-mile varsity race and then staved off a determined bid by Cornell to win by a deck length.

Washington, the Western sprint champion, was third.

ATLANTA TO BE 15TH NFL TEAM IN 1966

By JACK HAND

Associated Press Sports Writer

NEW YORK (AP) — Atlanta will become the 15th team in the expanded National Football League in 1966 with a group headed by insurance man Rankin Smith Jr. of Atlanta as the likely owner.

It was a particularly tough loss for Dave Griffin, Senator hurler, who fanned 16, walked three and yielded five hits. Griffin also smacked a home run and triple. Smyers added another homer for the losers and Shank rapped a triple. Stettini hit for the circuit for the White Sox.

Red Legs	000 023-5	2
Dodgers	302 002-7	9

Batteries: Red Legs — Byers, Rice and Heller; Dodgers — Smith, Hess and Stock. Winning pitcher, Hess. Losing pitcher, Rice.

The York Springs Giants moved into second place with a 15-6 win over the Orioles of Bendersville. Wagner blasted a single and two triples and Chronister two singles and a Homer for the winners. Taylor led the Orioles with three hits, including a Homer, and Orner clinched with three safeties.

Score by innings:

Giants	112 046 1-15	14
Orioles	311 000 1-6	8

Batteries: Giants — Bosserman, Wagner (1) and Brant; Orioles — Orner, Weaver (6) and Taylor.

TO BE SWING TEAM

Rozelle said he would screen the applicants before selecting one and then would ask the club owners for approval of his choice in a telephone vote. "I feel they will accept my recommendation," said Rozelle who will begin negotiating immediately.

This is the first step in major expansion by the NFL which will have 16 teams in 1967, divided into two conferences, each split into two divisions.

New Oxford and Red Lion currently hold the number one spot in the league with 6-1 slates and both squads will tangle Wednesday evening at 6:15 in New Oxford.

A three-run third frame was enough to claim the verdict for New Oxford Monday evening. An error and a walk plus singles by McKim and Timmins produced the trio of scores. Northeastern jumped to a 1-0 lead in the first on singles by Heilmann and Rife and an error. The losers added a run in the top of the third when Gabert circled the sacks on three fielding miscues.

John Harner turned in a fine pitching performance for the winners as he allowed but two hits, fanned five and did not allow a walk.

Take Pins Out Of Ron Hunt's Shoulder

NEW YORK (AP) — Two pins have been removed from Ron Hunt's left shoulder and the New York Mets' second baseman, sidelined since May 11, may be able to rejoin the club in mid-August.

Dr. Peter LaMotte, who performed the second operation on Hunt's injured shoulder Monday, said the infielder will undergo physical therapy prior to starting workouts.

LaMotte also performed the first operation after Hunt suffered a shoulder separation in a baseline collision with Phil Gagliano of St. Louis.

The patient describes the casket as a cylinder of aluminum, its curved tapering top ending in a ring by which it can be lowered.

She was three strokes ahead of her nearest challenger, Mrs. William Howard of East Petersburg, with a 39-39-78.

WINS AGAIN AT LE MANS

LE MANS, France (AP) — Ferrari again is the winner of the Le Mans 24-hour race in the Italian firm's sixth consecutive and apparently unbeatable combination of speed, durability and cool-headedness.

The Ferrari onslaught which captured first, second, third, sixth and seventh places Sunday, virtually overwhelmed the second consecutive factory-backed challenge of Fords and Ford-powered Cobras — although two of the Fords proved themselves faster in short sprints.

The drivers of the leading Ferrari combined the experience of a long-time loser and the optimism of a young newcomer.

ENJOYS WINNING

"I rather enjoy winning," said Masten Gregory, a Kansas City, Mo., native who 12 years ago tried his first Le Mans race and has lived in Europe ever since.

In eight previous Le Mans races, Gregory had never placed better than fourth.

Gregory's codriver, blond, 23-year-old German Jochen Rindt, a resident of Vienna, Austria, said, "That's just luck, you know. You've got to be lucky in these long-distance races."

Eleven Ferraris started and only five finished. Of six Fords and five Ford Cobras, only one Cobra finished.

Mazurek Signs With Redskins

WASHINGTON (AP) — The Washington Redskins won a bidding contest with the Minnesota Twins today when Fred Mazurek of the University of Pittsburgh decided to play professional football instead of baseball.

Mazurek, 5-foot-11, 182-pound quarterback, was signed by the National Football League team as a free agent for an unannounced bonus. The Redskins would say only that he signed for "considerably more than is normally given a free agent."

With Washington, Mazurek will be used as a flanker back and defensive back.

MAY BOYCOTT HEALTH CARE

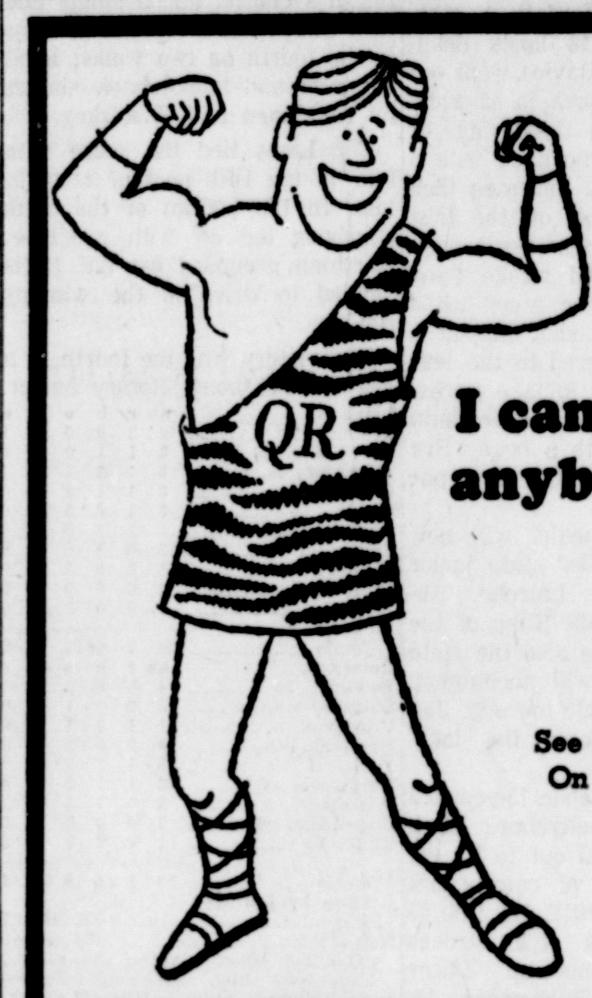

NEW YORK (AP) — A dispute has broken out in the House of Delegates, policy-making body of the American Medical Association over whether doctors should boycott the pending federal health care program.

Only a handful of the 30-odd speakers at a hearing on boycott resolutions favored cooperation in the program or urged postponing a decision until after the program passes Congress.

Ten resolutions calling for a boycott were introduced Monday in the 235-member house. The resolutions will not be acted on finally until Wednesday or Thursday.

The AMA's new president, Dr. James Z. Appel of Lancaster, Pa., said in his installation address Sunday that it would be unethical and an act of bad citizenship for doctors to boycott the program.

er on the Pitt baseball team the past season, Mazurek hit .460 this spring as an outfielder. He was drafted by Minnesota in the recent free agent draft conducted by organized baseball.

EAST COAST TRUCKING HIT BY WALKOUT

PHILADELPHIA (AP) — Some 19,000 members of Teamsters locals 107 and 470 began a walkout in the city early Monday that could hit trucking concerns in Eastern Pennsylvania, New Jersey and Delaware.

"We're taking a holiday — We'll see you after the holiday," came shouts from Local 197 headquarters.

The work stoppage was an escalation of a 10-day walkout at the Roadway Express, Inc., in the Frankford section, where four Local 107 members were fired.

Some 2,000 members of the local, representing 12,000 drivers and platform men, voted for the "holiday" at a meeting Sunday night. Officials of Local 407 shortly thereafter announced their support.

GENERAL SYMPATHY

In Wilmington, Del., teamsters Local 107 called for an "extended holiday" that could idle up to 1,800 members on the Delmarva peninsula. A spokesman said the work stoppage was out of general sympathy for the walkout authorized in Philadelphia.

Borrows Eyeglasses, Continues Recital

VIENNA (AP) — American violinist Nathan Milstein was about to begin a performance Sunday when he noticed that he left his eyeglasses at his hotel.

Ushers went into the audience and collected glasses from patrons. He tried them on one after the other. The 12th pair was right, and the recital went on.

NIGHT TRAIN JUMPS TRACK IN OHIO TOWN

DELPHOS, Ohio (AP) — A night passenger train from Chicago to New York jumped the track at Main Street in this Western Ohio community of 7,000 late Sunday night.

Twenty seven of its 150 passengers were injured. Eight required treatment at hospitals in nearby Lima, Ohio. All were released after treatment.

Fourteen cars of the Pennsylvania Railroad's 20-car "Admiral" were derailed as it rammed into the downtown area. One passenger car and three baggage cars flipped on their sides.

GOING 70 MPH
The Ohio highway patrol esti-

mated the train was going over 70 miles an hour when it derailed.

Nearly 2,000 feet of rail was torn up. Main lines of three railroads were expected to be blocked for several days. The crossovers for the Pennsylvania, Nickel Plate and Akron, and Canton & Youngstown railroads was ripped out. Two of Delphos' main streets also were blocked.

Cause of the wreck was believed to be a broken wheel on one of the cars.

The conductor of the wrecked train, L. Eckrote of Fort Wayne, Ind., estimated the damage at upwards of \$600,000 to the train alone.

LEGISLATIVE RECESS LIKELY DURING FIGHT OVER SPENDING

By JACK LYNCH

HARRISBURG (AP)—A two-week vacation for the General Assembly loomed as a possibility today to give legislative leaders an opportunity to fight the budget behind closed doors.

The thinking among the leaders now is that little else will be accomplished as Democrats and the Republican Scranton Administration officials try to resolve their wide differences over spending in the 1965-66 fiscal year.

So they are planning tentatively to call a recess during the first two weeks in July to give the membership the break they have been clamoring for and to provide the setting for deliberations without the crush of other business.

BATTLE BEGINS

Democrats formally opened the battle Monday, introducing their own general appropriation bill and a new plan for distribution of tax surpluses to public schools.

Senate Republicans hastened to pass \$82 million in emergency appropriations to keep the government in operation beyond July 1, opening of the fiscal year.

Chairman Martin P. Mullen of the House Appropriations Committee introduced the Democrats \$1.151 billion appropriation bill, which is the foundation of their over-all \$1.379 billion spending proposal.

\$8 MILLION PLAN

They also introduced their previously announced bill for distribution of \$35 million in tax

surpluses to public schools, as opposed to \$28 million proposed by Scranton.

The Democratic plan would allow school districts to take the money under regular state subsidy formulas or elect to follow a new alternate called the "tax-payers factor" which would give them \$4 for each resident based on the 1960 U.S. Census.

NEW LANGUAGE

The House Democratic Majority also finally moved on a Senate-passed bill to give state employees wage increases ranging from 5 to 10 per cent, effective July 1.

The House Judiciary Committee sent the \$10.7 million proposal to the floor with new language specifying that all employees be given raises.

At the same time, the Democratic leadership introduced a bill for creation of a five-member wage study committee to review state salaries to determine whether they are competitive with private industry.

Other highlights:

Civil Rights—The administration, tired of waiting for Democrats to act, introduced a four-bill package of civil rights legislation. The original plan called for bipartisan sponsorship.

Appropriations—In addition to the \$82 million in stop gap appropriations, the Senate also passed and sent to the House \$50.3 million in other spending proposals, including \$27 million for Pennsylvania State University.

University aid—The Scranton Administration sent to the Senate bills appropriating \$3.5 million each to Pennsylvania State and Temple Universities to lower tuition. The money would come from the state's \$102.7 million surplus.

VOTE COUNT SPEEDUP

Election laws—The Scranton Administration sent to the Senate its plan for revision and re-codification of the election laws. Primary features include a speed-up in counting of absentee ballots and a provision making

EXPLAINS WHO BOUGHT STOCK DURING SLUMP

By SAM DAWSON

NEW YORK (AP)—Who was buying those stocks during the month-long drop of prices from their May 14 peak? Some of them were people who were making a profit because they had guessed right.

Every share sold had to be bought by some one. And the buyers doubtless were of many types.

But there's a clue to who some of them were in the latest stock market statistics. They were traders who had sold short at or near the peak. By June 15 a sizable number had cashed in on the price drop. It meant profits for them even if it brought disappointment for those hoping for a continued rise.

PUTTING UP LESS

A short seller is a trader who borrows a stock and sells it at the going price. He hopes to buy it back in the future at a lower price and return it to the original owner, pocketing the difference as profit.

The short interest on the New York Stock Exchange dropped 468,407 shares from May 14 to June 15. That is, last week traders were putting up less money to back their belief that prices would slide further.

That 468,407 share drop isn't tremendous. But it does bring the short interest of 6,015,803 shares on June 15 to the lowest level since January 15. With the single exception of January, the level is the lowest in more than a year.

But short traders cashing in their profits weren't the only ones buying shares during the long price slide. Some who were buying the offerings of those seeking to unload were specialists in particular issues. They are charged with maintaining an orderly market. They buy and sell when offerings can't be matched.

Others buying when all the market news seemed to be about sliding prices were doubtless those who thought they spotted a bargain in an issue they had been wanting, but had been wary of the higher price.

Still others could be traders who thought the market price for some issue had reached a low and were buying for the long interest.

That is, they bought low, hoping to sell high—just the opposite of short interest traders looking for a decline.

Then there were those who thought the market jitters were unfounded. They bought to hold for the long term, convinced that sooner or later prices will move up to still higher records.

It more difficult to challenge such ballots arbitrarily.

Appalachia—The Senate gave final legislative approval to a \$5.5 million appropriation for the state's share of mine reclamation under the Federal Appalachian Program.

Minimum Wage—A bill raising the state's minimum wage from \$1 to \$1.25 was passed 201-1 by the House and sent to the Senate. It covers an estimated 600,000 to 700,000 workers.

Moves To Avoid Primary Battle

NIAGARA FALLS, N.Y. (AP)—State Assemblyman Donald J. O'Hara has decided to sell his home and move with his wife and six daughters to a new residence several blocks away.

The move will avoid a Democratic primary battle with Assemblyman Gregory Pope.

The two legislators were thrown in the same district under a reapportionment plan calling for special elections this fall.

But O'Hara by moving a few blocks north will be in another district. Both men were elected for the first time last fall.

WANTS SCRANTON MOVED TO MUSEUM

HARRISBURG (AP)—If Rep. Martin P. Mullen, D-Philadelphia, has his way, Gov. Scranton will be moved from the main Capitol building to the old state museum next door.

Mullen introduced legislation in the House Monday that would transfer the governor's office and a number of affiliated offices to the old museum building to make more room for the legislators.

The measure calls on the Department of Property and Supplies to provide office space in the old building as soon as possible.

KUWAIT (AP) — Alcoholic poisoning has killed 35 people and sent more than 150 others to the hospital in the last six months.

Police say many of the cases drank too much eau de cologne.

Parliament banned the sale of alcoholic beverages two months ago, contending that they were a temptation to the young and an offense against Moslem principles. Bootlegging has been thriving since.

GIVING AWARDS IS SPECIALTY OF SHOWMEN

By BOB THOMAS

AP Movie-TV Writer

HOLLYWOOD (AP)—There is something about the show business breed that provides the escapable urge to: 1. Organize; and 2. Give awards.

They all do it: writers,

directors, costume designers,

makeup artists, etc. I thought I

had heard of all the organizations

and their awards until I

was invited to a banquet by

genial George (Bullets) Dur-

gan.

Bullets is nowhere as menac-

ing as his name. He is, in fact,

an ingratiating gent about the

size of Mickey Rooney, whom

he has managed. His present

clients include Elizabeth Ash-

ley, Trini Lopez, Kate Smith,

etc.

SINATRA GETS 2

"Hey, we're having our annual banquet of the Conference of Personal Managers, West,"

Bullets announced. "We're giving two awards to Frank Si-

natra as Performer of the Year and Man of the Year. Why don't you come?"

Why not? So I appeared at the

Rodeo Room of the Beverly Hills Hotel and found the conference of Personal Managers,

West, huddled in the bar. President Richard Link (Andy Griffith, Jim Nabors) explained

what the members do.

"Please don't call us agents,"

he said. "We're managers, and

there's a difference. Agents get

jobs for performers; we don't.

We discover, mold, guide and

advise careers."

100 Injured, 40 Are Jailed When 5,000 Fans Stage Riot Hurl Beer Cans In Tiny Town

LACONIA, N.H. (AP) — Picturesque Laconia was a mess of beer cans and debris today as motorcyclists thundered down its little main street and out of town after a weekend riot in which 100 persons were injured, 10 seriously. Cars were overturned and buildings were set ablaze.

Damage was estimated well into the thousands after state and local police and the National Guard restored order among some 5,000 rioting fans who had come to town for a motorcycle race.

40 ARE JAILED

Not all the motorcycle fans were allowed to leave, however. At least 40 persons were jammed into local and surrounding community jails. They were charged with violating the state's new Riot Act, conviction of which can mean a \$1,000 fine and three years in jail.

Commissioner of Safety Robert W. Rhodes said the riot started Saturday night when a California motorcycle club known as "Hell's Angels" tipped over a car and then threw a ring around the area and "wouldn't let anybody get away."

Local and neighboring police, state troopers and finally the National Guard moved in to stop the throwing of smoke bombs and beer cans and fighting.

The motorcyclists crowded into area grocery stores earlier buying food and beer. Some 15,000 of them had come for the 100-mile national championship road race of the American Motorcycle Association.

One resident said beer cans began piling up along the main street gutters early Saturday evening and the cyclists started climbing onto store rooftops.

By the time the rioting started, a large crowd gathered atop the penny arcade and persons began heaving cans at police.

As the rioting intensified and numbers of both cyclists and police began to grow, one group was heaving smoke bombs and the other tear gas. Police also used clubs and shot rock salt into the crowds to help disperse them.

Things were quieter in Laconia Sunday.

But just south of the state line in Lunenburg, Mass., police received a tip that part of the motorcycle crowd would converge on Whalom Park. A crowd that grew to 2,000 was broken up after rubbish and bottles were thrown at the police patrolling the area.

NEW YORK (AP) — Academy Award-winning actress Rita Moreno, 33, and Dr. Leonard Gordon, 45, a Manhattan internal medicine specialist, were married Friday in a double-ring ceremony in Supreme Court.

A Lovelier You

By MARY SUE MILLER

A mature lovely writes: For some years now I have been using a well-known line of skin treatments. But somehow they are not as effective as they once were. My skin feels dry and sensitive.

sitive. Could the products have deteriorated or is it my skin that's changed?

The Answer: Reliable cosmetic houses use scientific testing methods to maintain the quality of their skin-care products. Formulas may undergo revision, but only for the sake of increased effectiveness.

It is more likely that your skin has changed rather than your products. Most maturing complexions develop a fragile, easily irritated texture and then they often reject the accustomed beauty regimen.

For women faced with the dilemma, cosmetic specialists have now devised carefully balanced formulas for such treatment products as cleanser, freshener, moisturizer and night emollient. Irritant-screened ingredients cater to skin sensitivity but without loss of much-needed moisturizing and emollient properties.

In fact the humectants and oils are of the luxurious character that promotes penetration to the deep inner circle of the pores. Thus use reduces the skin's irritation potential, while increasing its beauty potential.

What a boon to delicate skin, particularly during the searing and hurtful heat of summer! **THE EYES OF YOUTH**

You are not lost to youthful beauty because of dark circles, puffiness, or wrinkles around the eyes. These problems can be brought under control by proper skin care, cosmetic applications, health habits and facial expressions. Methods are detailed in my leaflet, **THE EYES OF YOUTH**. To obtain your copy, write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing 10 cents in coin and a large, self-addressed, stamped envelope. 1965, Publishers Newspaper Syndicate.

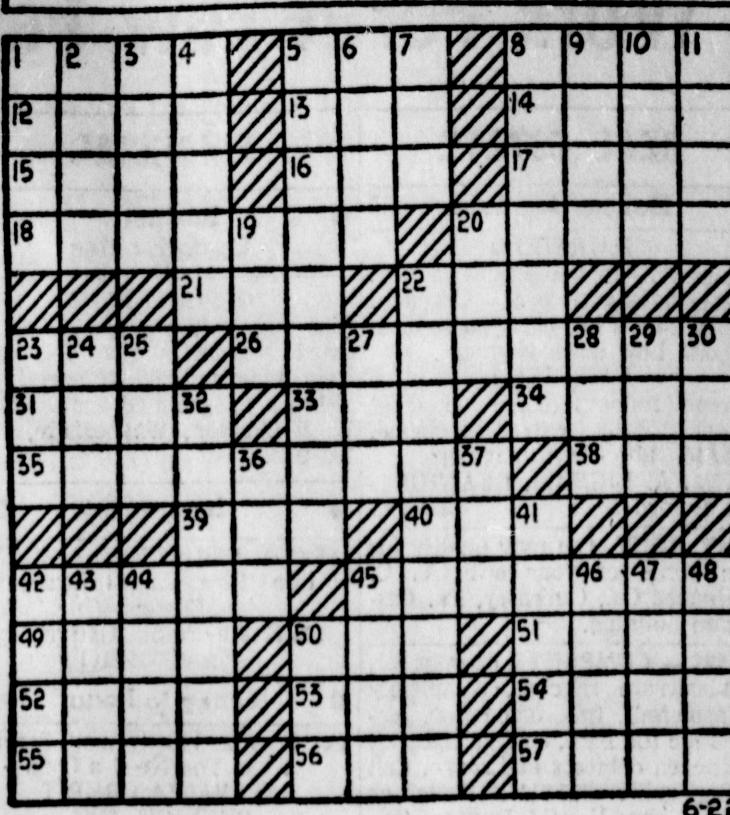

KID BITES MAN

VINCENNES, Ind. (AP) — Dogcatcher Hollis Lane was bitten when he went to a Vincennes home to pick up a stray dog.

No dog bit him — it was one of the youngsters at the home that nipped him.

The youngster wanted the dog so badly that Lane left it.

SAYS SAFETY WAS BUNGLED

HARRISBURG (AP) — Democratic State Chairman Otis B. Morse has accused the Scranton administration of allowing Pennsylvania's traffic safety program to deteriorate with what he called "bungling mismanagement."

"Gov. Scranton's concern over traffic safety is just about two years too late," Morse said in a weekend statement referring to Scranton's statement last Thursday that he would be opposed to any legislation "watering down" traffic safety policy.

"The tragedy," said Morse, "quite a part from the personal tragedy which has been inflicted on thousands of our highway users, is that Gov. Scranton at the outset of his administration permitted the tough-but-fair policies of his previous Democratic administration to be weakened," Morse added.

Solve Mystery Of Missing Gasoline

COLUMBUS, Ind. (AP) — Tom Brown leaves his car in reverse when he parks it in front of his home each night.

But the last few mornings it was in some other gear. And the gasoline gauge showed gas was missing, "although the doors were always locked."

Brown and his wife took turns watching during the night. Shortly before 4 a.m. a boy about 16 walked up, unlocked the car and drove away.

The youth explained he tried the spare key of his father's car in many other cars of the same make until he found one fit. He then took some early morning joy rides in the Brown auto.

mishandlement of a sensitive program which demands constant vigilance, we are anxious to see what the governor will really do about his administration's highway safety mess," Morse added.

3-DAY STRIKE IS CALLED IN LATIN NATION

SANTO DOMINGO, Dominican Republic (AP)—Dominican workers were called out on a three-day nationwide strike today to demonstrate support for the rebels.

One labor leader, Luis Henry Molina, said there was no connection between the strike and current efforts by Organization of American States negotiators to reach a peace settlement.

The OAS team met with rebel negotiators Sunday to discuss its new peace formula which both the rebels and the junta accepted Saturday as a basis for negotiations.

Reliable sources said the six-man rebel team sought clarification of certain points in the formula.

OPPOSE JUNTA

The rebels were reported favoring a provisional government headed by a president rather than a junta or triumvirate. The OAS formula left the point open.

The rebels also want a permanent government elected in less than six months while the OAS plan calls for elections in six to nine months.

The rebels also want more
